

Licensed Practical Nursing Level Program Learning Outcomes

Students completing the Licensed Practical Nursing program will be able to:

1. Examine relevant technology for client care and documentation.
2. Apply foundational knowledge of the nursing process in providing nursing care for clients throughout the lifespan.
3. Demonstrate competencies necessary to meet the needs of individuals throughout the lifespan in a safe, legal, and ethical manner using the nursing process.
4. Demonstrate professional behavior in the role of a Practical Nurse upon entry into practice.
5. Apply therapeutic communication techniques in providing nursing care for clients throughout the lifespan.
6. Demonstrate critical thinking by making a score of 850 on a HESI exam.
7. Demonstrate safe administration of medications.
